Address :No. 94, Weijin Road, Tianjin, China 300071

EDUCATION

Major in Economics

Tianjin, China

Postgraduate of Economics; Nankai University

Sep. 2021 – Now

B.A in Economics

Shenyang, China

Major in Economics; Liaoning University; GPA: 90.046 (9.00/10.00)

Nov. 2017 – Jun. 2021

FIELDS OF ACADEMIC AND INTEREST

Economics, Political Economy, and Game Theory.

EXPERIENCE AND RESEARCH

Frontier Theories and Methods in Statistics and Data

Certificate of Completion

2021 Summer school for Statistics Graduate of ECNU

Jul 2021

- **Process**: Have studied *Statistical Analysis of Network Data*, *New development of tensor learning in recommender systems and imaging data*, *Empirical Bayes and Machine Learning* and *Some Typical Convex Optimization Problems and Their Solutions Methods*, etc advanced statistical methods and statistical theories.
- **Results**: Obtain the certificate of completion, and have a certain grasp of advanced statistics and measurement methods.

"Internet Plus" Innovation and Entrepreneurship Competition

Provincial third Award

micro-point finance

Sep 2019

- **Workflows**: As the leader, I organized a "three rural issues (agriculture, rural areas and farmers)" financial development survey in Guta District, Liaoning Province, then collected the data and make investigation report.
- **Results**: Put forward the suggestions involve making full use of inclusive finance, combining with network technology to relieve information asymmetry in rural finance.

China Undergraduate Mathematical Contest in Modeling

Provincial Second Award

Intelligent RGV dynamic scheduling strategy

Nov 2018

- **Process**: As the leader, I responsible for modeling, writing paper. Built up a model based on operations research theories to make optimal arrangements in sequence, especially in the area of intelligent processing.
- **Results**: Accomplished our own paper Intelligent RGV dynamic scheduling strategy, familiar with the mathematical tool software and improved the writing ability.

PRIZES, AWARDS AND HONORS

- **The First, Second or Third Prize Scholarship**: 2018 – 2021
- **Shenyang Outstanding Student Award**: Dec. 2019
- **Shenyang Outstanding League Cadres Award**: Dec. 2019
- **Liaoning General Higher Education Outstanding Graduates Award**: Mar. 2021
- **Excellent Graduate Thesis Award**: Jun. 2021

PROGRAMMING SKILLS

- **Languages**: Python, Hexo, Git

- **Technologies**: Stata, EViews, SPSS, Origin, Office, Adobe(PhotoShop, Illustrator, InDesign)

Dec. 16, 2021
